

The Back Country Horsemen of Utah presently consists of 10 local Chapters spread across the State.

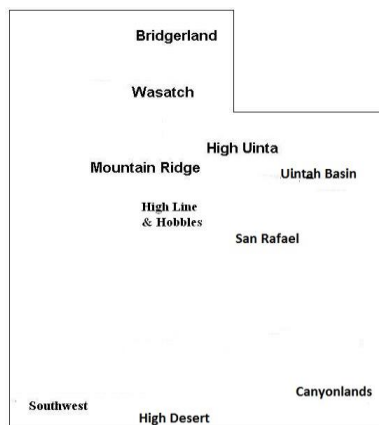

The web site, www.bchu.com has links to all 10 Chapters, Points of contact, newsletters, Events (rides and projects), and educational material of interest to trail riders and users of Utah public lands.

Many important decisions have been made without input from horsemen and will continue to be made without us though often with input from those who prefer not to see horses or mules on any trail or in any back country areas.

Don't you agree it's about time we all get involved?
