Monthly meeting at the University Mall

Guest speaker: Dr Haderly from Rocky Mountain Large Animal Clinic.

Minutes

Called to order: 7:10 pm

Topics of discussed:

Our up coming camp-out at San Rafael. A few members from Wasatch are expected to join us.

A meeting with the forest service on May 3rd. They would like us to adopt trails.

Black Hawk: lots of trails which need work, pack in signs and/or install them.

Big Springs: We've adopted in the past, not much work needed, lots of regular use.

Grants are available

Dollar for dollar match, we can contribute money or labor

Only non-profits can apply for these grants

Applications must be submitted by June 2, 2017

Need to visit and evaluate Dry Canyon, Black Hawk and Big Springs and let the Forest Service know which trails we want to adopt.

May 4th Vaccination Clinic with Dr Haderly

May 18th Club Picnic

May 30th Tibble Fork should be done

7:30 pm. Dr Haderly discussed Strangles, it's symptoms, treatments, how it spreads and prevention of it's spread. Many people do not realize that Strangles is in Utah.
